Amendment "B"

Exr. Y My Quach Lee
Art Unit 2875

REMARKS

Applicant thanks the Examiner for the indication in paragraph 6 of the last Office Action that claims 1, 3, 4, 6 to 8, 20, 21, 25, 29 and 30 would be allowable if rewritten or amended to overcome the objection set forth in paragraph 2 of said Office Action. By this Amendment, Applicant has amended the claims as suggested in paragraph 2 so as to place the claims in condition for allowance, the only change from the suggested language being that "of" was inserted before "length," instead of after it, in line 14 of claim 6 and in line 12 of claim 20. Accordingly, it is respectfully submitted that the Objections of paragraph 2 have been overcome and the claims are now in condition for allowance.

Applicant also thanks the Examiner for the indication in paragraph 7 of the last Office Action that claims 18 and 32 would be allowable if rewritten to overcome the objections and include all limitations of the base claims and any intervening claims. By this Amendment claims 18 and 32 have been rewritten as new claims 34 and 35 so as to overcome the objections and include all limitations of the base claims and any intervening claims. Accordingly, it is respectfully submitted that these claims are now in condition for allowance.

Rather than argue these rejections now, in order to speed the prosecution of the claims already indicated to be allowable, Applicant has cancelled these claims, as well as previously withdrawn claims 26-28, so as to place the remaining claims, and this
